Dear Harold:

I got your book and have read the foreword and prologue and am getting into the book now. I can tell that it is well written and I look forward to reading the rest of it. I haven't read anything where we disagree so far, but I am sure I will see a few things as I read the book.

I never did get a copy of Posner's book, nor did he ever interview me, as far as I can remember.

I hope your health is better, but don't work yourself to death. They will be talking about this 100 years from now.

Your friend,

GEARY, PORTER & WEST, P.C.
